

11+ Coaching and Fun Testimonials from 2007

“The thought of trying to wade through 11+ techniques in the summer holidays was depressing, EM Centre and Mr Burton provided an ideal solution. It was just the right balance of learning and fun and for one of my children; it just gave her the added confidence she needed.”

Jo Churchill, Grantham

From Jo's children;

Ellie “Mr Burton was great and he really helped me understand the techniques. It was a fun way to learn at PGL”.

Livi “I didn't want to do school work in the summer but Mr Burton was really nice, he helped me understand, made it fun and I got to play at PGL, **but the best bit for me was we passed**”.

“Emma enjoyed all the 11+ activities and she says that it has made her feel more confident. She wasn't bored at all – which is a very good sign that they were well stimulated.”

Rachel Hinchley, Leasingham

“Perfect match of academic and outdoor activities. Fantastic opportunities to meet new people, try new activities and learn. Suitable not just for 11+ but possibly other academic courses. Fabulous resource, course and venue – could be expanded to other areas of study. Brilliant, well done, thank you.

Mr Brown, Claypole

“Annabelle thoroughly enjoyed everyday. Each session helping to build her confidence some more.”

Mrs K Bristow, Leasingham

“The PGL (*activities*) was a fantastic experience for Jo, even her fear of heights (tears at one point) didn’t stop her wanting to attend. Knowing that she could stop if she wasn’t happy doing something gave her the confidence to try in the first place. I can’t praise your organisation enough for putting together such a wonderful experience for children. The 11+ work was enjoyed by Jo and I found the course notes very informative – I can now continue to help her.”
